The Aldenham Annual Fund 2015/16

Since the launch of the first Aldenham Annual Fund in 2008 the appeal has generated an amazing total of over £205,500. Last year's Fund contributed a record amount of £42,323.90 and I would like to take this opportunity to express my sincere thanks to each and every donor.

By now you will be aware of the importance of this annual campaign, which enables us to provide resources that will enhance our pupils' educational experience and help them to fulfil their potential. This year I want to encourage you to dig deep and help us to meet a target that will not only allow us to buy a variety of exciting equipment for the School, but also to offer a bursary place to one deserving Sixth Former.

If we are able to raise the £32,000 needed to buy all of the items listed in this brochure, plus £13,000 for a Sixth Form Bursary – the fund will then have reached a grand total of a quarter of a million pounds.

Please help us to achieve this ambitious goal. A donation of any size would be very much appreciated; as the saying goes – every little helps.

For the Prep School

Our youngest pupils are already keen musicians. We want to harness their enthusiasm and keep them practicing. New pianos are needed in the Prep School for practice and performances.

- Pianos **£4,000**

For the Senior School

Psychology is a very popular subject at A Level and we would like to buy a polygraph (lie detector), to add to the excitement of learning about the brain.

- Polygraph **£3,400**

Cups and trophies are an important way to recognise achievements. The awards presented at Aldenham have been around for many years and we would like to update them.

- New Cups and Trophies **£1,000**

For the Senior School

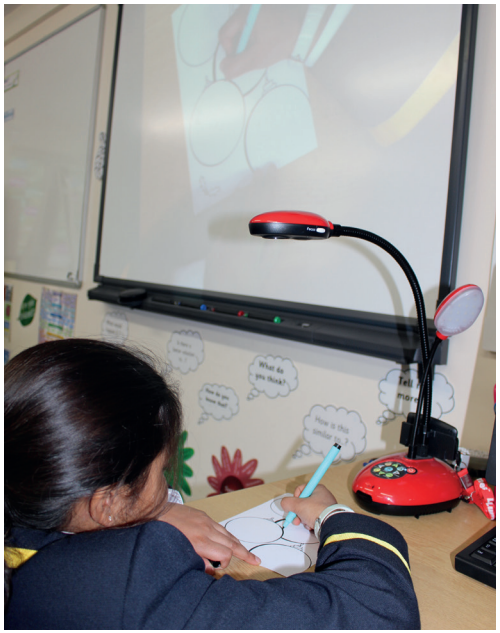

The Art produced at Aldenham is of a very high standard and the new Head of Department wants to introduce some exciting challenges to develop new skills, including working with glass.

- Art equipment for glass work **£1,000**

Last year we bought visualisers for every classroom in the Prep School. These are now in constant use and we want to provide similar equipment to the Senior School to make lessons more lively and interactive.

- 4 Visualisers **£1,200**

For the RAF cadets in the CCF, flying and understanding the principles of flight is at the core of their training. A realistic flight simulator would be an enormous benefit and could inspire more cadets to work towards a Private Pilot's Licence.

- Flight simulator **£5,000**

History

There is a wealth of information in the School archives, we want to digitise some of this and make it accessible on line.

- Digitisation of School archive **£2,500**

Other requests include:

- Honey extraction equipment **£500**
- 2 Table tennis tables **£500**
- Portable speakers for dance **£200**

For the Whole School

Sport

The men's England indoor hockey team train at Aldenham and our own pupils are County champions. It is important that we continue to provide outstanding facilities. We also want to renew cricket equipment.

- Indoor hockey side boards **£1,600**
- Mobile electronic cricket scoreboards and sight screens **£2,000**

Drama

The Theatre was opened nearly 10 years ago and the lighting now needs to be upgraded.

- Stage lighting upgrade **£4,500**

Science

A 3D Projector in the Biology Department would bring images to life and enhance the pupils' understanding.

- 3D image projector **£4,600**

Sixth Form Bursary

This year we would like to be able to offer a major bursary place to one deserving Senior School pupil.

A number of awards are made each year to support students whose family circumstances mean that they would be unable to continue their education at Aldenham.

This is particularly important for families considering whether to continue at Aldenham into the Sixth Form. At times we have been very sad to have to let some our best students go because the fees are beyond their means. At 16+ a Continuation Award will be made on the basis of GCSE performance and interview.

We aim to offer at least one Continuation Award each year through the Aldenham Annual Fund.

- Sixth Form Bursary **£13,000**
